

Appendix II PROJECT TEAM RESUMES

Clinton E. Brown, FAIA
President, Principal

Clinton Brown has more than 30 years of experience and leadership in all aspects of historic preservation architecture and public policy in government, not-for-profit organization, real estate development and architecture firm employment and management – all needed to foster and motivate collaborative revitalization of heritage buildings and communities.

PROFESSIONAL QUALIFICATIONS

Mr. Brown was recently honored with election to the Fellowship of the American Institute of Architects for his nationally significant service to the profession.

Mr. Brown's experience as a Heritage Architect meets and exceeds 36 CFR Part 61, "Professional Qualification Standards" of the Secretary of the Interior's Standards for Heritage Architecture and Architectural History.

Mr. Brown is a certified Architectural Assessor credited by the Conservation Assessment Program of the Heritage Preservation: The National Institute for Heritage Conservation.
